Won’t you consider giving \$25, \$50, \$100, \$500, or whatever you are able, to help support the ministries and programming of the Central Atlantic Conference?

Friends of the Conference

Reaching out to our churches,
our community and our world

Why should I give to the Friends of the Conference Program? Here are some reasons to consider....

- ✓ Because I have some extra money and it's one way I can support the work of the Central Atlantic Conference.
- ✓ Because I can designate funds towards a specific program, like Church Vitality or Youth Programming.
- ✓ Because I believe in the work of the Central Atlantic Conference.
- ✓ Because it is one way I can say "thank you" for all the gifts with which God has blessed me.
- ✓ Because God has fulfilled all my needs and the money I give could make a big difference in someone else's life.
- ✓ Because adding my money to the contributions of others enable greater work to be achieved.
- ✓ Because there is so much more we, as the CAC, could do to impact our church, our world, our community and the lives of others if the CAC only had more money.
- ✓ Because I don't have a lot of time to volunteer and it's one way I can help support the work of the CAC.
- ✓ Because OCWM contributions do not fulfill all the financial needs of the conference.
- ✓ Because through what I've learned from the Bible, God calls me to give.
